## THE JUDICIAL SYSTEM GENERALLY

The judicial system of South Carolina is composed of the courts, the prosecution, and the defense components. The courts include the Supreme Court, Court of Appeals, Circuit Courts, Family Courts, Magisterial Courts, Municipal Courts, Probate Courts, and Master-In-Equity Courts. The prosecutorial system is made up of the circuit solicitors and the Office of the Attorney General. The defense component includes public defender corporations, court appointed counsel, retained counsel, and the Office of Appellate Defense.

## THE SUPREME COURT

The state's highest tribunal is the Supreme Court. The court has both original and appellate jurisdiction, but generally acts only in its appellate capacity. When the Court of Appeals was activated on September 1, 1983, the Supreme Court reserved exclusive jurisdiction over cases on certiorari from the Court of Appeals and five classes of appeals directly from the circuit and family courts. The five classes are cases which involve (1) the death penalty, (2) public utility rates, (3) significant constitutional issues, (4) public bond issues and, (5) the election laws. Other appeals from the circuit and family courts are apportioned between the Supreme Court and Court of Appeals. The Supreme Court renders decisions based on lower court transcripts, briefs, and oral arguments. In addition to hearing and deciding cases, the court also has rulemaking authority for the unified judicial system and controls admissions to and disciplining of the South Carolina Bar. The Supreme Court is composed of a Chief Justice and four Associate Justices who are elected by the South Carolina General Assembly for terms of ten years. The terms are staggered and a justice may be re-elected to any number of terms.

## THE COURT OF APPEALS

The Court of Appeals was created to hear most types of appeals from the circuit court and the family court. Exceptions are when the appeal falls within any of the five classes listed above.

NOTES: (1) Beginning in 1989, General Sessions caseload includes unindicted warrants. (2) Family Court totals do not reflect supplemental proceedings heard by those courts, such as the enforcement of prior court orders. (3) Magistrates filings, 1984-1989, are estimated.

The Court of Appeals is the judicial system's newest court, commencing operation on September 1, 1983. It consists of a Chief Judge and five associate judges who are elected to staggered terms of six years each. The court sits either as two panels of three judges each or as a whole, and it may hear oral arguments and motions in any county of the state.

## THE CIRCUIT COURT

The Circuit Court is the state's court of general jurisdiction. It is divided into a civil court, the Court of Common Pleas, and a criminal court, the Court of General Sessions. In addition to its general trial jurisdiction, the Circuit Court has limited appellate jurisdiction over appeals from the Probate Court, Magistrate's Court, and Municipal Court. The State is divided into sixteen judicial circuits. Each circuit has at least one resident circuit judge who maintains an office in the judge's home county within the circuit. There are thirty-one circuit judges and they serve the sixteen circuits on a rotating basis, with court terms and assignments determined by the Chief Justice based upon recommendations of Court Administration.

## THE FAMILY COURT

The uniform statewide Family Court system was established by statute in 1976. The Family Courts have exclusive jurisdiction of all matters involving domestic or family relationships. Pursuant to this provision, the Family Courts are the sole forum for the hearing of all cases concerning marriage, divorce, legal separation, custody, visitation rights, termination of parental rights, adoption, support, alimony, division of marital property, and change of name. The courts also generally have exclusive jurisdiction over minors under the age of seventeen alleged to have violated any state law or municipal ordinance. However, most traffic and fish and game law violations are still triable in the magistrates or municipal courts. Serious criminal charges may be transferred to the Circuit Court.

The Family Court follows the territorial boundaries of the sixteen judicial circuits with forty-six judges who rotate primarily from county to county within their resident circuit, but also to other circuits based upon caseload requirements as directed by the Chief Justice.

## THE MAGISTERIAL COURT

There are approximately 297 magistrates in South Carolina, ranging from 2 to 19 per county. They are appointed by the Governor upon the advice and consent of the Senate, with terms of four years. Magistrates have criminal trial jurisdiction over all offenses which are subject to the penalty of a fine not exceeding $200 or imprisonment not exceeding 30 days. In addition, magistrates are responsible for setting bail, conducting preliminary hearings, and issuing arrest and search warrants. Magistrates have civil jurisdiction when the amount in controversy does not exceed $2,500.

## THE MUNICIPAL COURT

Legislation in 1980 substantially changed the municipal courts of this state by establishing a uniform system of municipal courts to be part of the unified judicial system. The act repeals by implication all statutes which created different types of municipal courts not in conformity with the new system (e.g., Mayor's and Recorder's Courts).

Municipal Courts have no civil jurisdiction, but have criminal jurisdiction over all state offenses and municipal ordinances subject to a fine not exceeding $200 or imprisonment not exceeding 30 days, and which occur within the municipality. The term of a municipal judge is set by the council of the municipality, but cannot exceed four years.

## THE PROBATE COURT

Each county in South Carolina has a Probate Judge, popularly elected to a four-year term. Probate courts have jurisdiction over marriage licenses, estates of deceased persons, guardianships of incompetents, conservatorships of estates of minors and incompetents, and involuntary commitments to institutions for mentally ill and/or chemically dependant persons.

## MASTER-IN-EQUITY

In 1988 the legislature amended the statutes which govern the Master-In-Equity system. The master is appointed by the Governor with the advice and consent of the General Assembly for a term of four years; beginning in 1989, terms will be six years in length. The master may serve in a full or part-time capacity and is compensated by the county governing body. The Master-In-Equity has jurisdiction in equity matters referred to that court by the Circuit Court. The master has the power and authority of the circuit court sitting without a jury, to regulate all proceedings in every hearing before him and to do all acts and take all measures necessary or proper for the efficient performance of his duties under the order of reference. This includes the power to rule on all motions, require the production of evidence, rule upon the admissibility of evidence and call witnesses and examine them under oath. Masters may also conduct sales under certain circumstances. There are twenty-one Masters-In-Equity currently sitting. Final orders based on reports of masters are executed by circuit judges except where the master enters final judgment under limited circumstances. Appeals from final judgments entered by a master are to the Circuit Court unless otherwise directed by order of the Circuit Court or by consent by the parties.

## SOUTH CAROLINA COURT ADMINISTRATION

The Office of South Carolina Court Administration was established in 1973 pursuant to the new Judicial Article of the South Carolina Constitution, which provides that the Chief Justice shall appoint an Administrator of the Courts and such assistants as he deems necessary to aid in the administration of the courts of the State. The State Court Administrator serves as the Director of the Office of South Carolina Court Administration. It is the administrative arm of the Chief Justice in his capacity as the administrative head of the state judicial system.

The concept of an Office of Court Administration was developed throughout the nation with the idea that courts have reached the point where they require the use of sound business management methods in carrying out their responsibilities as part of the judicial branch of government. All fifty states and the federal court system currently have an office of court administration or its equivalent.

The Office of South Carolina Court Administration engages in a wide range of responsibilities and duties. A sampling of these activities follows:

1. Recommends to the Chief Justice the scheduling of terms of Circuit Court and Family Court and the assignment of judges to preside over these terms.
2. Supervises the administration of Circuit Courts, Family Courts, Probate Courts, Masters-In-Equity, Magistrates, and, to a limited degree, Municipal Courts, as well as the support personnel related to these courts, such as Clerks of Court and Public Defenders.
3. Collects extensive caseload information and activity statistics on the operation of the Circuit Courts, Family Courts, Probate Courts, Magistrate Courts, Municipal Courts, and Masters-In-Equity.
4. Provides assistance to individual courts in calendar management, jury management, and recordkeeping. Such assistance is provided at the request of the individual trial courts or at the initiation of the Office of South Carolina Court Administration when problems come to its attention.
5. Serves as a clearing house of new studies and reports in the area of judicial administration and reform.
6. Makes recommendations to the Chief Justice on administrative or procedural rules being considered for adoption and analyzes the potential effect of such proposed rules on the system.
7. Supplies reports and documents to the legislature, appears before legislative committees, and drafts proposed legislation with the aid of advisory committees and others.
8. Conducts the mandatory legal education programs for summary court judges including orientation schools for new judges and regional schools on specific subject matters. Also conducts schools for new probate judges and clerks of court.
9. Administers the Defense of Indigents Fund and the Judicial Commitment Fund.

10. Coordinates with and assists, when requested, the Judicial Standards Commission and the Office of the Director of Finance and Personnel of the Judicial Department and other agencies of state government such as the Office of the Attorney General, the Department of Youth Services, State Law Enforcement Division, the Office of the Governor, and others. As State Court Administrator, the Director is a member of the Governor's Committee on Criminal Justice, Crime and Delinquency, the Court Modernization Committee of the South Carolina Bar, and the National Conference of State Court Administrators. Representatives of the office serve on various other committees within the Judicial Department and state government.
11. Serves as secretariat to the Judicial Council and the Appellate Defense Commission.
12. Carries out such additional duties as assigned by the Chief Justice of the Supreme Court.

The foregoing enumerates a wide area of activity which involves various specific duties. The role of the Office of Court Administration has been an expanding one as reforms of the court system have been analyzed and implemented.

## OFFICE OF THE DIRECTOR OF FINANCE

This office is directly responsible to the Chief Justice for the internal fiscal operation of the Judicial Department. In addition to budgetary planning and operation, all personnel matters, payrolls and purchasing are the responsibility of this division. The State provides total funding for the operation of the Supreme Court, the Court of Appeals, and Court Administration.

The State also funds the salary of the circuit and family court judges, their law clerks, secretaries, and court reporters as well as related equipment and supplies. County governing bodies are responsible for providing facilities for the operation of the Circuit, Family, Probate, Magisterial Courts, and Masters-In-Equity. All other personnel are funded by county governing units.

One quarter of all fines, forfeitures, and other revenues generated by the circuit and family courts are paid into the State with the balance going to the local governing bodies. All magisterial court fines and forfeitures and civil filing fees are paid to the local governing body. There are limited exceptions to this when certain fines are directed to specific agencies.

## DEFENSE OF INDIGENTS

The appropriated funds are used to provide legal representation for indigent defendants in criminal proceedings. Funds are disbursed to public defender corporations on a monthly basis. The program is monitored by the Office of Court Administration with recommendations to the Supreme Court for necessary rule changes and improvements.

In Fiscal Year 1988-89 (July 1, 1988-June 30, 1989) $1,598,704 was appropriated to the Defense of Indigents Program. From this appropriation, each county's public defender corporation was apportioned an amount at the rate of $512.53 per one thousand population, based on the official United States Census for 1980. There is also a statewide Defense Fund, for the payment of certain necessary expenses incurred in indigent defense, such Fund being available to both public defenders and appointed counsel.

The Defense Fund was appropriated $195,000 in Fiscal Year 1988-89. Additional monies were transferred into the Fund and the total expenditure in this category was $209,469.

Public defender corporations, in addition to the monthly disbursements from the State appropriated Defense of Indigents Fund, are subsidized by the individual counties, and by other available funds.

## JUDICIAL COMMITMENT ACT

Funds appropriated by the state legislature are used to provide designated examiners, legal representation, and court reporters involved in involuntary mental and/or chemically dependent commitment proceedings. These proceedings are brought in the Probate Courts of this state. The fund is administered by the Office of South Carolina Court Administration which monitors performance and needs.

## THE CLERKS OF COURT

Each county in South Carolina has a popularly elected Clerk of Court who serves a four-year term. The Clerk of Court serves the Circuit Court and Family Court in each county. Duties of clerks extend to both civil and criminal areas: receiving criminal warrants and forwarding them to the solicitor; receiving bail; assembling trial lists; performing courtroom duties; handling jury-related matters; receiving fees, fines and costs; maintaining all court records; and handling reporting requirements. In 35 of the 46 counties, the clerk serves as the Register of Mesne Conveyances and thus keeps all records required by the recording statutes. All funding of clerks of court for staff, office space, and equipment is a county responsibility, with the exception of a limited state salary supplement.

## THE PROSECUTION

By constitutional provisions, the Attorney General is the chief prosecutor of the State. The Attorney General, besides acting as the state's chief prosecutor, also represents the State in civil litigation, and issues opinions regarding the interpretation of law. Prosecution in circuit court is carried out by a circuit solicitor or his assistants. In addition, a solicitor, if directed by the Attorney General, may represent the State in a civil proceeding.

## THE DEFENSE

An accused in South Carolina, when unable to retain counsel due to financial inability, may request the court to appoint counsel upon proof of indigent status. Such public defense may be by public defender or by appointed counsel, upon designation by the court.

Attorneys' fees for death penalty trials (within maximum limits) and necessary expenses for any criminal trial are paid to appointed counsel, upon application for reimbursement by voucher to the Office of Court Administration out of the Defense Fund established by the legislature for such purposes.

There are 39 public defender corporations established to provide services in the 46 counties with the funds for these programs supplied from the Defense of Indigents program funds. State law allows multi-county defender corporations, and five such corporations have been formed. The Office of Appellate Defense operates under the direction of the Appellate Defense Commission and handles all criminal indigency appeals.

## THE SOUTH CAROLINA BAR

The South Carolina Bar was created by Supreme Court Rule 48. The rule provides for the purposes of the Bar:

> The purposes of the organization shall be to uphold and defend the Constitution of the United States and the Constitution of the State of South Carolina; to protect, and maintain respect for, representative government; to continually improve the administration of justice throughout the state; to require the highest standards of ethical and professional conduct, and uphold the integrity and honor of the legal profession; to advance the science of jurisprudence; to promote consistent high quality of legal education and legal services to the public; to apply the knowledge, experience and ability of the legal profession to the promotion of the public good; to encourage good will and respect for integrity and excellence in public service among the members of the legal profession and the public; to perform any additional purposes and duties assigned to it by the Supreme Court of South Carolina; to promote and correlate such policies and activites of the Bar organization as fall within these purposes in the interest of the legal profession and of the public.

As of December 31, 1989, 6,892 attorneys were members of the South Carolina Bar.

## BOARD OF COMMISSIONERS ON GRIEVANCES AND DISCIPLINE

The caseload of the Board of Commissioners on Grievances and Discipline increased so dramatically that the prior rule was revised by Order of the Supreme Court dated January 17, 1983.

Every grievance received by the Board is reviewed by the Chairman; he may dismiss the grievance for lack of merit, refer it to another Commission which may best suit the needs of the Complainant such as the Fee Disputes Committee, or the matter may be assigned for investigation by a member of the Commission from the circuit where the attorney complained about resides. Due to the increase in grievances, there are now Associate members appointed for investigating only, besides the twenty-five full Commission members. When an investigative report has been filed by a Commission member, the matter is then scheduled for review by the Executive Committee. The Executive Committee is made up of five of the Commission members and two lay persons, and meets monthly.

If the Executive Committee finds no merit to the grievance, the matter is dismissed. If the Committee finds probable cause that a violation of the Code of Professional Responsibility has occurred, the matter is referred to the Attorney General's Office and formal charges are brought by way of a Formal Complaint against the attorney. The matter is then set for a hearing by a three member panel made up of members of the Commission. Sixty days after the hearing the panel must submit a report of their findings of fact, conclusions of law, and a recommendation as to what sanction they feel should be imposed on the attorney for the violation. The entire matter is then reviewed appellately by the Executive Committee, the Committee makes an independent recommendation as to sanction, and the matter is thereafter certified to the Supreme Court for their review and final disposition.

All proceedings before the Board of Commissioners on Grievances and Discipline are confidential.

A statistical summary is set forth on the following page. This summary differs from years prior to 1982 because a log is now kept of all inquiries being considered. Prior to 1982, only those forwarded for formal investigation were used for statistical purposes. The present method is a more accurate accounting of the case load of the Board of Commissioners on Grievances and Discipline.

## THE BOARD OF COMMISSIONERS ON JUDICIAL STANDARDS

The Supreme Court, under the authority vested in it by Article V of the South Carolina Constitution, issued Supreme Court Rule 34, entitled Rule on Judicial Discipline and Standards, which provided for the formation of the office of the Board of Commissioners on Judicial Standards, and also sets forth its area of responsibility and duties. The Judicial Standards Commission office commenced operation November 1, 1976. The Board, presently comprised of twelve members--one Appeals Court Judge, three Circuit Judges, two Judges of Inferior Courts of Record, two Magistrates, two members of the Bar of South Carolina in good standing who do not and have never held a judicial office, and two lay persons--was formed to accept grievances from complainants against South Carolina judges and to make any necessary inquiry to determine if a judge has violated the Code of Judicial Conduct or has acquired any physical/mental disability of a permanent nature which might affect his ability to perform his official functions.

Rule 34 also provides for the appointment of nine Hearing Masters by the Supreme Court. If, after a preliminary investigation by the staff determines that probable cause exists and a hearing is scheduled by the Board, three Hearing Masters are selected by the Supreme Court to hear the case against the respondent judge. The Hearing Masters have the duty of reporting their findings of fact and conclusions of law to the Commission with respect to the issues presented by the complaint and answer.

After reviewing the record and the report by the Hearing Masters, the Board has the authority to accept, modify, or reject the findings of the Hearing Masters. The respondent and the examiner are given an opportunity to be heard on oral arguments before the Commission, after which the Commission's Report and recommended disciplinary action is certified to the Supreme Court, which makes the final decision in the matter. At that time it will become a matter of public record if a public reprimand or suspension is ordered.

The Examiner for the Board, an Assistant Attorney General, is appointed by the Supreme Court.

The office staff is composed of an Executive Secretary and an Administrative Assistant whose duties are to accept from the public, or other sources, grievances against judges and to make an initial inquiry in order to present the facts to the Board at their regular meetings. The office staff performs the usual duties of maintaining files and records of the Board, and the Executive Secretary also conducts any investigation required by the Board.

The following is statistical data reflecting cases received and disposed during 1989.

## DATA REFLECTING CASES RECEIVED AND DISPOSITION

Since its inception (November 1, 1976) the Commission has received 1,705 matters concerning grievances against judicial officers.

During the past year, January 1, 1989 through December 31, 1989, the Board met eight times and handled 150 matters relating to grievances against judicial officers. 128 new grievances were received in 1989 with 22 grievances pending on January 1, 1989. Of the 150 matters handled, 127 grievances reached final disposition, resulting in a year-end caseload of 23 pending grievances.

### GRIEVANCE SOURCES

Of the 128 new grievances filed with the Commission in the course of the 1989 reporting period, such grievances originated from the following sources:

| | |
|---|---|
| 101 | Litigants |
| 5 | Family member of litigant |
| 1 | Friend of litigant |
| 4 | Concerned citizen |
| 1 | Police Officer |
| 1 | Sheriff |
| 1 | Solicitor |
| 2 | Attorney |
| 1 | City official |
| 2 | NAACP President |
| 1 | Chief Justice of the S. C. Supreme Court |
| 1 | South Carolina Court Administration |
| 7 | Judicial Standards Commission |
| 128 | Total |

### DISPOSITIONAL BREAKDOWN

Of the 127 grievances processed to completion by the Commission during the 1989 reporting period, the ultimate determination of such grievances was as follows:

| | |
|---|---|
| 109 | Dismissed (unfounded, no evidence of misconduct, lack of jurisdiction, appellate matter) |
| | Dismissed -- Judge no longer in office |
| 1 | Judge resigned |
| | Dismissed after appropriate action was taken by the Board |
| 10 | Cautionary letter sent by Board to Judge |
| 3 | Private reprimand administered |
| 4 | Public reprimand administered |
| 128 | Total |

**CATEGORY OF JUDGE COMPLAINED AGAINST**

Of the 128 new grievances filed with the Commission during the 1989 reporting period, grievances were received against the following:

| | |
|---|---|
| 1 | Supreme Court |
| 15 | Circuit Court |
| 24 | Family Court |
| 75 | Magistrate Court |
| 4 | Probate Court |
| 9 | Municipal Court |
| 128 | Total |

**ANALYSIS OF DATA:**

The Commission received 128 written complaints during calendar year 1989. Although this figure was less than the previous year, there were more complaints disposed of with evidence of misconduct by judges. This is evident by the fact that there were 18 matters with some degree of misconduct. This included the Supreme Court's issuance of 4 public reprimands, 3 private reprimands, and the Commission sending letters of caution or admonition to 10 judges. These latter cases were situations in which the judge in question was guilty of misconduct but not sufficiently serious to warrant a formal complaint being served and the matter eventually going before the Supreme Court.

Approximately 85% of all complaints were dismissed by the Board without any sanctions against the judge. These grievances were either totally unfounded, there was a lack of jurisdiction, or they were appellate matters. 79% of the complaints were received from litigants. A common assertion made was that the judge failed to give the parties a fair hearing and/or was arrogant and rude.

Members of the Commission/Staff made several presentations during the year to magistrates' orientation courses and conventions, and two presentations were made to Judicial Continuing Legal Education Seminars.

There were eight Board meetings conducted during the reporting period.

## BOARD OF LAW EXAMINERS

Section 4 of Article V of the Constitution provides that the Supreme Court shall have jurisdiction over the admission of persons to the practice of law and, pursuant to this provision, the Court has appointed a Board of Law Examiners whose responsibility it is to determine whether or not the applicants possess the necessary legal knowledge for admission. In addition, the Court has appointed a Committee of five attorneys to determine whether the applicants possess the character and fitness for admission.

The bar examination consists of a multistate examination as given by the National Conference of Bar Examiners. This is a machine graded examination that is given in 49 states, including the District of Columbia and U. S. territories, on the last Wednesday in February and July each year. In addition to the multistate examination, the examiners prepare questions and test the applicants on additional subjects. The essay portion of the examination is given on Thursday and Friday following the multistate examination.

The Clerk of the Supreme Court serves as secretary to the Board of Law Examiners, and the administrative work in connection with bar admissions is the responsibility of the Clerk.

The following statistics will be of interest.

## CONTINUING LEGAL EDUCATION COMMISSION

The Supreme Court of South Carolina adopted in 1976 a rule which required mandatory continuing legal education for all judges within the state judicial system. (Magistrates and Municipal judges are required each year to earn twelve hours of continuing legal education, pursuant to an order of the Chief Justice.) Each judge is required to complete a minimum of fifteen hours of legal education each calendar year. Such training may be acquired by in-state or out-of-state programs which are approved by the Commission. The Commission is composed of a Justice of the Supreme Court or its designee, one Court of Appeals Judge, two Circuit Court Judges, one Family Court Judge, one member of the University of South Carolina Law School Faculty and two members of the Bar of South Carolina. The Court designates the chair of the Commission. The Continuing Legal Education Program of the South Carolina Bar provides secretarial services to the Continuing Legal Education Commission for the Judiciary.

## Filings and Dispositions

During 1989, the information system which creates the General Sessions caseload statistics was changed. Previously (through 1988) only those warrants which had been or were being indicted were counted as "cases". The new system measures all warrants filed with the clerk of court, regardless of the likelihood of the warrant being indicted. Consequently, the caseload appears to increase dramatically during 1989. The size of the increase is distorted by the inclusion of the unindicted warrants now being tracked. It is estimated that the number of indictments increased by approximately 25% last year.

The report on the following pages shows, for each circuit and county, the number of filings and dispositions during the year.

## General Sessions Dispositions

A total of 69,105 indicted and unindicted warrants were disposed during 1989. Of those, 57% or 39,247 warrants resulted in convictions. Non-convictions, which include verdicts of not guilty and administrative actions such as dismissals or decisions not to prosecute, were the result in 36% or 25,213 of the cases. The remaining 7% or 4,645 warrants were not true-billed by the grand jury or were disposed by transfer to other courts or other types of disposition.

The report on the following pages shows, by county and circuit, the number of warrants disposed during the year and the method of disposition.

## COURT OF GENERAL SESSIONS

### Dispositions for Selected Offenses

The report on the following two pages shows the number of dispositions for a selected group of offenses. Selection was based upon every offense with at least 150 dispositions during 1989; offenses are listed in order of most dispositions.

For each offense listed, the total number of dispositions is listed, followed by that offense's share of the statewide total of dispositions. For example, the total of 5,683 dispositions for grand larceny is 8.22% of the 69,104 general sessions cases disposed during the year.

Also, for each offense, its number of dispositions is broken down into categories of convictions, non-convictions and other dispositions. Each category shows the number and percentage share for that offense. As another example, 3,036 convictions were obtained in grand larceny cases or 53% of the time.

## COURT OF COMMON PLEAS

### Filings and Dispositions

During 1989, filings in the Court of Common Pleas increased less than one percent from the previous year. Dispositions increased more significantly, by 4.6%. Cases were disposed last year, on average, within 24 weeks of being initially filed. Jury and non-jury trials account for one-tenth of all dispositions. The remainder still require the judges' attention, whether the ultimate disposition is a dismissal (18.5%), a settlement or withdrawal by the parties (32.9%), an uncontested lawsuit (26.6%), or some other manner of disposition (12%).

In the report which follows on the next pages, the number of cases filed and disposed during the year is listed by circuit and by county.

## FAMILY COURT

### Filings and Dispositions

The caseload in the family courts increased during 1989, but at a slower pace than during the past three years. Filings in 1989 increased by 3.2% to 77,205 cases; 75,601 cases were disposed for an increase of 2.5%. Measurements of family court caseload do not include proceedings which are supplemental to other family court cases, such as the enforcement of prior court orders which demand a significant amount of attention from the family courts.

For cases disposed last year, the average length of time between the date of filing and the date of disposition was 95 days, or three months; juvenile cases are usually disposed even more promptly than domestic relations cases, averaging less than two months.

The report which follows on the next few pages lists for each county and circuit the number of domestic relations and juvenile cases filed and disposed during the year.

NOTE: Caseload does not reflect supplemental proceedings heard in the family courts, such as the enforcement of prior court orders.

Age of Pending Family Court Cases

During the past three years, increases in the number of cases filed during each year were not quite matched by the number disposed, resulting in 4,700 more cases being added to the total pending. By the end of 1989, the total pending was 19,682. The measurement of pending cases does not include proceedings which are supplemental to other family court cases, such as the enforcement of prior court orders which demand a significant amount of attention from the family courts.

Also during each of the past two years, the share of pending cases aged less than six months from date of filing has slipped a percentage point; at the end of 1989, 94% were less than six months old. Of the total pending, the average age from date of filing was 81 days, or two and one-half months.

The age of pending cases report follows on the next several pages and measures, for each circuit and county, the number and percentage of cases pending in various age categories.

## PROBATE COURT

### Filings and Dispositions

Every county has its own probate court which exercises jurisdiction over marriage licenses, estates of deceased persons, guardianships of incompetents, conservatorships of estates of minors and incompetents, and involuntary commitments to institutions for mentally ill and/or chemically dependant persons. Caseload filings and dispositions have been reported to the Office of Court Administration beginning with calendar year 1984. A new Probate Code was implemented on July 1, 1987, effecting a change in the courts' jurisdiction over guardianships and conservatorships.

The statewide filings and dispositions for the past six years, including 1989, are listed in the table at the bottom of this page. Two county-by-county reports follow on the next several pages. The first measures the caseload of estates; the second, guardianships and conservatorships.

Filings and Dispositions

The magistrate courts handle more cases than any other level of court; last year 57% of all dispositions were in these courts.

The caseload increases noted during 1986 through 1988 continued into 1989 averaging approximately four percent statewide. For several years prior to 1986, filings and dispositions remained constant, with year to year fluctuations seldom exceeding 1%. Caseload estimates for 1989 indicate moderate increases from the 1988 figures: an estimated 775,000 cases were filed (up 5.2%) and 772,576 were disposed (up 4.1%). Over the past five years traffic cases in magistrate court have consistently accounted for almost two-thirds of the total, with the remaining third split between civil and non-traffic criminal.

Most criminal cases (traffic and non-traffic) result in convictions: 91% were convictions, 5% were non-convictions and 4% were either dismissed or transferred. A closer look at the distinctions between traffic and non-traffic cases reveals that dispositions by bond forfeiture are more prevalent in traffic cases than in non-traffic cases (45% to 23%, respectively).

The following reports list for each magistrate and county the number of cases disposed during the year. Criminal and traffic dispositions are detailed according to the type of disposition.

## MUNICIPAL COURT

### Filings and Dispositions

During 1989, growth in the number of municipal court filings and dispositions was less than 1%. The municipal courts handle one-third of the trial court caseload for the state.

The pattern established over several years is that traffic cases account for approximately two-thirds of the case filings in municipal courts. The remainder is split between non-traffic cases and municipal ordinance violations.

Regarding case dispositions, a large majority, 68%, of the cases are disposed by bond forfeiture or other administrative action. Jury trials are conducted for nearly 1% of the cases and non-jury or "bench" trials account for 31%. These percentages vary only slightly from those for previous years.

*The collection of caseload information on municipal courts began in 1980 and the large increase in cases reported during 1981 is due more to a new information system than to any significant change in caseload.

# 1989 ANNUAL JUDICIAL SURVEY

Each year the offices of the Clerks of Court, Probate Courts, Masters-In-Equity, Public Defenders, Magistrates and Municipal Courts are required to provide South Carolina Court Administration a survey response describing the personnel and operating costs and the revenues collected by each office. For 1989, the costs for operating each office are taken from the amounts appropriated by the counties for each office for fiscal year 1989-90. The revenues collected reflect the amounts actually collected during fiscal year 1988-1989. The survey was taken during October, 1989.

Every effort is made to encourage the survey respondents to provide this financial data in a manner that lends itself to comparisons among the same office in other counties. Unfortunately, since counties do not prepare budgets for these court offices in a uniform manner, certain types of information may be reported differently from county to county. For example, some -- but not all -- counties are able to identify fringe benefits and include them in total personnel costs. Also, some county offices must estimate major portions of their operating costs when office supplies, rent and services are not budgeted separately for each office or department. Finally, most clerks of court also serve as their county's register of mesne conveyances (RMC) which maintains property records. In previous years, attempts to exclude RMC costs produced mixed results. Beginning this year, RMC costs are <u>not</u> subtracted from the clerks', but RMC revenues <u>are</u> excluded from those collected by clerks. Of course, the eleven counties which employ a RMC separately from the clerk of court do not have RMC costs mixed with the clerk's.

For each type of office, a chart and graph illustrates the annual increases in costs and revenues for the eight fiscal years from 1982-83 through 1989-90. The county-by-county tabulation of the surveys of each office follows. Within that tabulation, a statewide ranking is provided based on the number of full time employees, total budget and, where applicable, total revenues collected. Whenever two or more counties share a ranking, the rankings are then calculated alphabetically. For example, both the Aiken and Lexington clerks' offices have 20 full time employees; Aiken is ranked 7th and Lexington is ranked 8th.

The costs for operating the other offices within the judicial system are provided for in the State Appropriations Act and are not included in this survey.
